

OPERATION...

CHRISTMAS

Calling all ALTs, JTEs and concerned
Hokkaido citizens!!!

Project Outreach, in association with Go M.A.D., is collecting donations for the Baan Unrak and Baan Dada children's homes in Thailand!

These homes are close to the Myanmar border and serve children who have been orphaned or whose parents can't afford to raise them. Many of the children in the homes are ethnic minorities who have fled persecution in Myanmar.

Any and all donations are welcome...as long as they're in by Mid-Year Conference! For those of you who are calendar challenged that makes the deadline December 3rd!

Check www.hajet.org/project-outreach for more information and ways to get your students involved!
